SPECIAL FILMING CONDITIONS
HOLMBY PARK

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This is a residential neighborhood with large houses and mansions. Area streets are tree-lined and winding with limited parking and visibility. The area is bounded by Sunset Boulevard, Hilgard Avenue, Warner Avenue, Wilshire Boulevard and The Los Angeles Country Club. The following Special Filming Conditions have been established to mitigate the concerns of the local residents and patrons of Holmby Park.

- **Equipment vehicles shall observe all posted parking restrictions (i.e. red curbs and no parking signs)**

- **Vehicles may not have engines running while parked.**

- **No double parking on Comstock Avenue. All vehicles must pull into a parking space at curbside.**

- **All trailers/motor homes must be run off one central generator.**
